Product and Service Locator Program

*"Purchasing products in-state helps us control inventory, cuts our lead time and makes us more competitive. We try to purchase from South Carolina vendors whenever possible, which ultimately makes us more successful. Using South Carolina vendors is a no-brainer!"*

-Charlie Gavin, Executive Vice President, Freeman Millwork

## What is BuySC?

BuySC is a purchaser-oriented, material and service locator program designed to connect South Carolina companies with South Carolina suppliers and vendors. The goal is to help you control costs and delivery times, in order to make your company more competitive in today's economy.

The South Carolina Department of Commerce's Business Services Team uses a comprehensive network to match company needs with in-state resources.

Let BuySC work for you by helping your company lower freight costs and manage supply chain activities — critical elements to the success of your business.

## How can you benefit from BuySC?

Whether your business is large or small, new or existing, BuySC can connect you to in-state suppliers, products and vendors, helping you:

- Improve efficiency
- Lower operation and freight costs
- Reduce supplier delivery times
- Improve business relations with suppliers

Let the Business Services Team connect you with the resources you need and offer solutions and opportunities that will result in meaningful business advantages.
